

What Parents Need to Know about the Dangers of Social Media/Bullying

This is an incredibly informative workshop about the power of social media and bullying, its impact on our children's mental and social well-being and how parents can use effective parenting skills to help our children navigate the world of social media.

**Wednesday
December 4th**

6:00—7:00pm

(Location??)

**Presented by:
Jessica Wharton, Bullying
Prevention Specialist*
