

The Bear Essentials

January 30, 2023

Principal's Message

It was fun for all this past Friday at the Family Dance Night! Thanks to everyone who dressed up and came out to show off their totally rad dance moves! As a child of the 80's, it brought me a lot of joy to see all the great outfits. Even better, our littlest kiddos were having a blast with the lights, music and balloons! Thank you to our PTA for putting it all together!

On that note, our PTA is truly an invaluable part of what makes Theodore Judah so great. If you are interested in joining the board, please let them know as our board elections for next year are coming up soon. You can find more info here on page 5 and also by reaching out to hellotipta@gmail.com to connect with the current board.

Wishing you a Fabulous February!
Ms. Koehler

Please note that our Bike Bus is on pause from now until early spring (March or April) when the weather improves.

COVID-19 Take Home Testing Kits: IntelliSwab

Please note: This test takes 30 minutes to complete.

- Keep the test stand for all tests in the box. You will need to use it for the second test.
- Use the easy to follow pictures and instructions inside the box on how to do the test.
- When used for children, the test should be performed by an adult.
- For those 14 years and below: slowly circle the swab in EACH nostril at least 4 times while gently pressing against the inside of the nostril. This should take about 15 seconds.
- For those above the age of 15: Swab each nostril, circling at least 15 times.
