FLAG FOOTBALL AND BASKETBALL

OUR NEW ADDITION, OPENED SPRING 2017

Thinking of enrolling? Come and visit us!

Theodore Judah is a neighborhood school that services all students via a rigorous and well-rounded educational program. While families who live in our resident boundaries have enrollment priority, we do have occasional grade levels where we are able to open up spaces to non-resident students through Open Enrollment or via the permit process. Please call the school office or the SCUSD Enrollment Center at 916.643.2370 for more information.

To enroll, parents must provide the following:

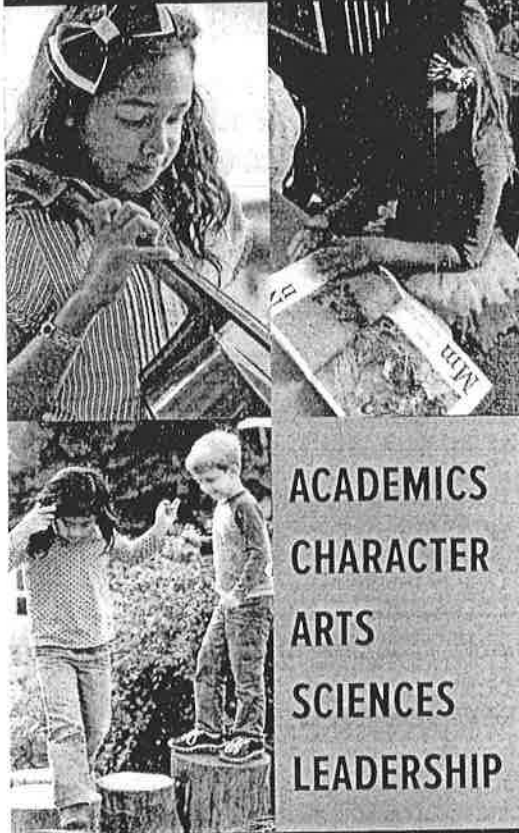

- ▶ birth certificate
- ▶ completed enrollment packet
- ▶ proof of residency
- ▶ immunization records
- ▶ open enrollment acceptance letter, or approved permit (non-resident students only)

Prospective parents are invited to our annual community visitation days. Please check our website at THEODOREJUDAHELEMENTARY.ORG for more information regarding dates and times. Tours are also available by appointment with Mr. Holding, the principal; call 916.277.6364 to schedule your visit.
